

To our customers,

The spread of the novel Coronavirus (COVID-19) continues to present unique challenges to our customers, partners and members of our community who support Brisco Furniture / Brisco Mattress World. The health and well-being of our customers is our top priority and we want to ensure you feel safe when visiting our store during this unprecedented period of time.

In an effort to do our part in limiting the spread of COVID-19, we have taken the following steps to keep people healthy across our business:

- In store, we are taking extra precautions with additional and more frequent cleaning and sanitization procedures - especially in high traffic areas.
- We are taking the appropriate measures to protect our customers and staff through increased hand washing and social distancing. We are also ensuring sick employees do not come to work.
- In light of the rapidly changing COVID-19 developments, we've decided to **Close Both Store Locations** at this time.
- Please contact the store at 705-435-5678 to arrange an appointment if necessary.
- We are ready to serve you 24 hours a day, through our on-line store, which provides our customers access to the thousands of products that are also available in-store.
- For delivered items, customers may request a "contact-less delivery" where our delivery personnel will leave your purchase at your front door.

We continue to monitor this evolving situation and are actively following the recommended guidelines from Health Canada and the World Health Organization (WHO). We are confident that our collective actions will help ensure a faster return to business as usual.

In the meantime, our store will remain open for business to serve you. We welcome your support and look forward to serving you and your family.

Sincerely,

Ken Brisco Cell 705-434-7543
